The Honorable Alan Grayson
House of Representatives
Washington, DC 20515

Dear Mr. Grayson:

In response to your letter of June 19, 2013, the Committee determined by voice vote after consideration at a formal business meeting with a quorum present on July 18, 2013 that it was unable to approve your request for access to certain classified materials specified in your letter, pursuant to Committee Rule 14(f)(3).

Committee Rule 14(f)(6) provides: "Should the member making such a request disagree with the Committee's determination with respect to that request, or any part thereof, that member must notify the Committee in writing of such disagreement." If the Committee receives such a notification, it would consider the matter and determine what, if any, further action or recommendation to take by recorded vote.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Rogers", with a stylized flourish at the end. To the right of the signature, the initials "M.C." are printed.

Mike Rogers
Chairman

Subject: Mr. Grayson's Request for a Follow-Up Session with NSA

Hi, [REDACTED]

Mr. Grayson spoke to NSA's Deputy Director, Chris Inglis, after the Democratic Caucus session on recent media leaks on 26 June 2013 and requested a follow-up session with NSA. I called your office today and the front desk said you would be the POC for this request. I will be your POC in the NSA Legislative Affairs Office for this follow-up session. Please let me know if Mr. Grayson would like to visit NSA or if he would like NSA personnel to brief him on the Hill. Please also provide some available dates/times for this session.

Thanks and please let me know if you have questions,

Thanks for the email. My boss would like to continue his conversation with Mr. Inglis. My boss has a block of time this Wednesday from 2-4pm or next Wednesday in the same window. He would prefer to have the meeting on the Hill if possible.

Thank you,

Dear [REDACTED]

I am the congressman's scheduler. I was on vacation and am now back and would like to set up this meeting with your boss. I know [REDACTED] had sent you some times that could work but the schedule has since changed. Can we pick a week that there might be some time in the schedule and start there? Thanks.
